

2025 GreenTech Globathon Participant Recruitment

GreenTech Globathon : Coding a Sustainable Future!

Hello! We're excited to introduce the 'GreenTech Globathon' co-hosted by GDGoC INHA and AIESEC in INHA! 

We invite you on a global journey to find innovative solutions for Sustainable Development Goals (SDGs). This hackathon goes beyond a simple coding competition; it's a unique experience to solve global problems and create a better future.

This event, where domestic and international students collaborate to develop SDGs solutions using IT technology, is an opportunity to enhance your technical skills, creativity, and global mindset.
