

List of Courses offered in English for Spring 2020

Undergraduate exchange students can take up to 19 credits from the undergraduate courses and students should consider each prerequisite course written in the 'Note' section when they register for their courses. In case students have enough knowledge to take graduate courses, they can take up to 6 credits of graduate (master) courses but should go through prior approval of each professor, and specific instructions will be emailed to you. Please note that seats in each course are limited and the course registration is processed on a first-come first served basis. Since the course registration is highly competitive, your preferred courses are not guaranteed. Also, please make sure that the classes you are choosing should not be overlapped with other courses, so please refer the course timetable. After the course registration, students will have a chance to change their courses right after the semester starts. It is supposed to change and the final course list will be updated accordingly.

Please note that the final course schedule and the class room might be different. The one on the course registration website is the final version. However, there might also be changes after the class starts based on the classroom capacity. Please check the e-class / notice / emails for updates from the professor. You will be instructed on how to create your Ajou ID.

List of Courses offered in English for Spring 2020

Undergraduate exchange students can take up to 19 credits from the undergraduate courses and students should consider each prerequisite course written in the 'Note' section when they register for their courses. In case students have enough knowledge to take graduate courses, they can take up to **6 credits of graduate (master) courses** but should go through prior **approval of each professor**, and specific instructions will be emailed to you. Please note that seats in each course are limited and the course registration is processed on a first-come first served basis. Since the course registration is highly competitive, your preferred courses are not guaranteed. Also, please make sure that the classes you are choosing should not be overlapped with other courses, so please refer the course timetable. After the course registration, students will have a chance to change their courses right after the semester starts. It is supposed to change and the final course list will be updated accordingly.

Please note that the final course schedule and the class room might be different. The one on the course registration website is the final version. However, there might also be changes after the class starts based on the classroom capacity. Please check the e-class / notice / emails for updates from the professor. You will be instructed on how to create your Ajou ID.
