Uganda

Swaziland

Program Overview

Korean Government-sponsored Volunteer Teachers Program, launched by the Ministry of Education(MOE) of Republic of Korea in 2013, dispatches certified Korean teachers to the countries with the high demand in the basic literacy education, e.g. math, science, ICT, and Korean. The program is designed to support the improvement in the quality education of the partner countries and to strengthen their ties with Korea.

Volunteer Types & Qualification

Types	Qualification	Program Length
Long-Term	certified teachers in-service at primary or secondary schools	1-3 years
	graduates with teacher certification for primary or secondary schools	
Short-Term	college students or graduates with degrees in education	2 months
Education Consultant	retired teachers, retired education administrators	1-3 years

* All volunteers must be certified in the subjects relevant to the curriculum of the designated countries.

Program Coverage

- Airfare, Visa fee, Medical checkup, Vaccination, Insurance: covered by the Korean Government
- Living Expenses and Payment
 - ▶ Volunteer Teachers to ODA Recipient Countries
Both the living expenses(around 1,000,000 KRW/month) and monthly payment will be covered by the Korean government.
 - ▶ Volunteer Teachers to Non-ODA Recipient Countries
The living expenses(around 1,000,000 KRW/month) will be covered by the Korean government, while the monthly payment will be covered by the recipient countries.

Program Objectives

- To develop educational activities relevant to the needs and conditions of partner countries in the field of basic education, including math, science, ICT and Korean
- To empower volunteer teachers through their involvement in the global education
- To foster mutual exchanges in education

We are Happy and Love Korean Teachers

NIIED
NATIONAL INSTITUTE FOR
INTERNATIONAL EDUCATION

National Institute for International Education(NIIED) is a government organization under the Ministry of Education (MOE), Republic of Korea. Established in 1962, NIIED has sought to nurture and foster the development of human resources, the need of which is ever growing in the era of globalization. As a competent executive government body, NIIED promotes the following.

- Global Korea Scholarship Program
- 'Study in Korea' Support System
- International Exchange & Cooperation in Education
- Development and Management of Language Proficiency Tests
- Support Overseas Korean Education
- Support for Foreign Language Education in the Public Sector
